Applied Technology Club

Meeting Minutes

October 7, 2015

Meeting was called to order by Shaun Moeller (Acting President) at 12:00 p.m.

Roll Call of Acting Officers:

Position	Member	Present/Absent/Late/Left Early
President	Shaun Moeller	Present
Vice President	Lance Dickinson	Present
Secretary	Sarah Wilshire	Present
Treasurer	Jinny Neil	Present
Web Master	Kyle Moseley	Present
Promotions Director	Topher Gutbrod	Absent/Withdrew
Club Representative(Primary)	Phil Tapia	Present
Club Representative(Alternative)	Noah Huttinger	Absent
Refurbishment Program	Mark Erickson	Present

Official Officers Vote in or change for the year:

Position	Member/Members to vote on	Accept Position/Voted in Position
President	Shaun Moeller	Accepted Position
Vice President	Lance Dickinson	Accepted Position
Secretary	Sarah Wilshire	Accepted Position
Treasurer	Jinny Neil	Accepted Position
Web Master	Kyle Moseley	Accepted Position
Promotions Director	Phil Tapia & Jason Miller	Voted in Position/Look at notes
Club Representative(Primary)	Sarah Wilshire	Voted in Position/ Look at notes
Club Representative(Alternative)	Noah Huttinger	No show so keeps position
Refurbishment Program	Mark Erickson	Accepted Position

Vote Notes: Topher Gutbrod dropped out of acting Promotions Director and Phil Tapia stepped up in his absence over the summer. Before the votes Jason Miller was asked to run as well and he accepted. There was a vote of who was to take over and the vote was 9 – 7 in favor of Jason Miller. Also, Sarah Wilshire put forward a motion to join the Club Representative(Primary) and the Secretary positions as she already does the minutes and there is no reason to have a second go between within the club. Also, to have this change, there had to have a motion put forward to change the Constitution for a club and both motions were put forward, seconded, and unanimously voted on.

Welcome to everyone old and new for the beginning of the school year. Hope this is a great year and the AT club continues to grow. Also, a special welcome to our new club advisor Brady Nielsen, for taking on this new and hopefully wonderful challenge of club advisor. It is very much appreciated.

Old Business:

Website: Great job Kyle Moseley on the club Website. It is still looking great and you are still doing a wonderful job. Keep it up…. For new comers to the club and this year the AT Club Web Page is http://atclub.sfcc.spokane.edu We still do not have the AT Club forum working properly but until it is please email any of the club officers at atclub.sfcc@gmail.com.

AT Club Logo/Vinyl Signs: This has been an issue for a while. It was stated by Shaun Moeller that there still ideas out through and was giving the club as a whole another month. Sarah Wilshire stated that in fact there has been multiple ideas put through and all of them had been sent to Shaun Moeller and put forward that there is one more month to change the logo for the year and if it was not stated by the November meeting that the logo changed that we put it off until next Fall. This was agreed upon and so stated.

LinuxFest Spokane 2016 subcommittee: Lance Dickinson is still heading the subcommittee and Sarah Wilshire and Lance Dickinson has made a date of October 15th, 2015 at 3:30 p.m. for the next subcommittee meeting and will keep the club informed from there on how LinuxFest is going and what else is needed by the club.

New Business:

News from Brady Nielsen: This is going to be an interesting year and he is looking forward to being the club advisor. He also let everyone know about TechJunction, an upcoming technology event going on October 28th, 2015 that he feels students could benefit and grow from. Also, Max Josquin and other instructors have stated they will excuse students that go to this event. It is all day from 9:00 am to 4:00 pm. He will be there all day and encourages others to go.

Upcoming ASG events-Sarah Wilshire: The ASG is hosting a laser tag event downtown at the laser tag building off of 2nd. This is a free event to all students and there will be laser tag and karaoke from 4p.m. to 6 p.m. October 16th, 2015. ALL STUDENTS ARE WELCOME.

Associate of Computing Machinery: The ACM has a big hand in the technological community. If you would like to know more about what it is and would like to be a member of the ACM chapter please let Sarah Wilshire know and she will enter you in to the ACM chapter.

High Technology Crime Investigation Association: HTCIA is a chapter that has pretty much died down in our IT department but if more people are interested we might be able to get this chapter rolling again. If anyone wants any more information on this chapter, please inform someone in the AT Club and the information will be presented to you.

AT Club leaflets: It has been embarrassing to go to club days and other club events and would like to see if we could come up with flyers or other things for our tables and events.

3D Printer: Engineering Club President could not make it so Sarah Wilshire relayed times and days as much as she knew for when it came to working on the departments 3D printer. If anyone is interested in learning more about the departments 3D Printer and wanting to learn how to run it go to the Engineering Club room Wednesdays at 12:30 p.m. unless otherwise stated. If you cannot show for a meeting that is fine and if you cannot show until 1 or 1:30 p.m. that is also fine. We are welcoming anyone who wants to be part of this project to join. EVERYONE IS WELCOME!

Fall meetings: UNLESS OTHERWISE STATED!!!!
